The Handiwork Clash

Life has gone from bad to worse in this community with conflict and destruction overwhelming the land. No solution was being sought by the unruly crowd, fighting prevailed until a fairy steps in and urges the villagers to turn the destruction and conflicts into a beautiful place to live in a peaceful community.

Bing Singer

World traveler, Bing Singer, thought he had experienced it all until he takes a late summer trip to the northern mountains and finds a village in trouble. Attempts to help the devastated village and its residents only results in Bing being viciously chased away. Trouble is, Bing has to go through the town to get back home. Will he be able to change the village from being unproductive and forlorn to one filled with pride and industriousness?

The Flyghts of Fancie

A slightly pudgy artist named Fancie who lives with a cat decides to include exercise into her daily routine and finds out that her brand new exercise machine is even cooler than she originally imagined. Follow along on the adventures of Fancie and her cat as they change the world. Dreams do come true.
